# Lehrerhandreichung

Diese Bildkarten sind für den interaktiven Lerntainer von Betzold konzipiert, können aber natürlich auch für andere Übungen oder mit einem Audiostift verwendet werden.

## Konzept/Idee:

Die Bildkarten werden in den interaktiven Lerntainer von Betzold gesteckt und besprochen. Es gibt jeweils immer eine Aufgabenkarte, die den Kindern erklärt, was zu tun ist. Die Aufgabenstellungen können natürlich individuell abgeändert werden.

## Wortschatz:

Ziel: Wörter benenne; Wortschatz erweitern

Aufgabe: Überlege welcher Begleiter richtig ist. Schreibe die Wörter mit Begleiter in dein Heft!

## Eigenschaftswörter:

Ziel: Einfache Sätze bilden; passende Adjektive finden

Aufgabe: Suche das passende Eigenschaftswort und bilde einen Satz. Schreibe so: Der Fisch ist klein

## Einzahl/Mehrzahl:

Ziel: Einzahl und Mehrzahl bilden können

Aufgabe: Bilde die Einzahl und Mehrzahl! Schreibe so: ein Hase – zwei Hasen

## Lebensräume:

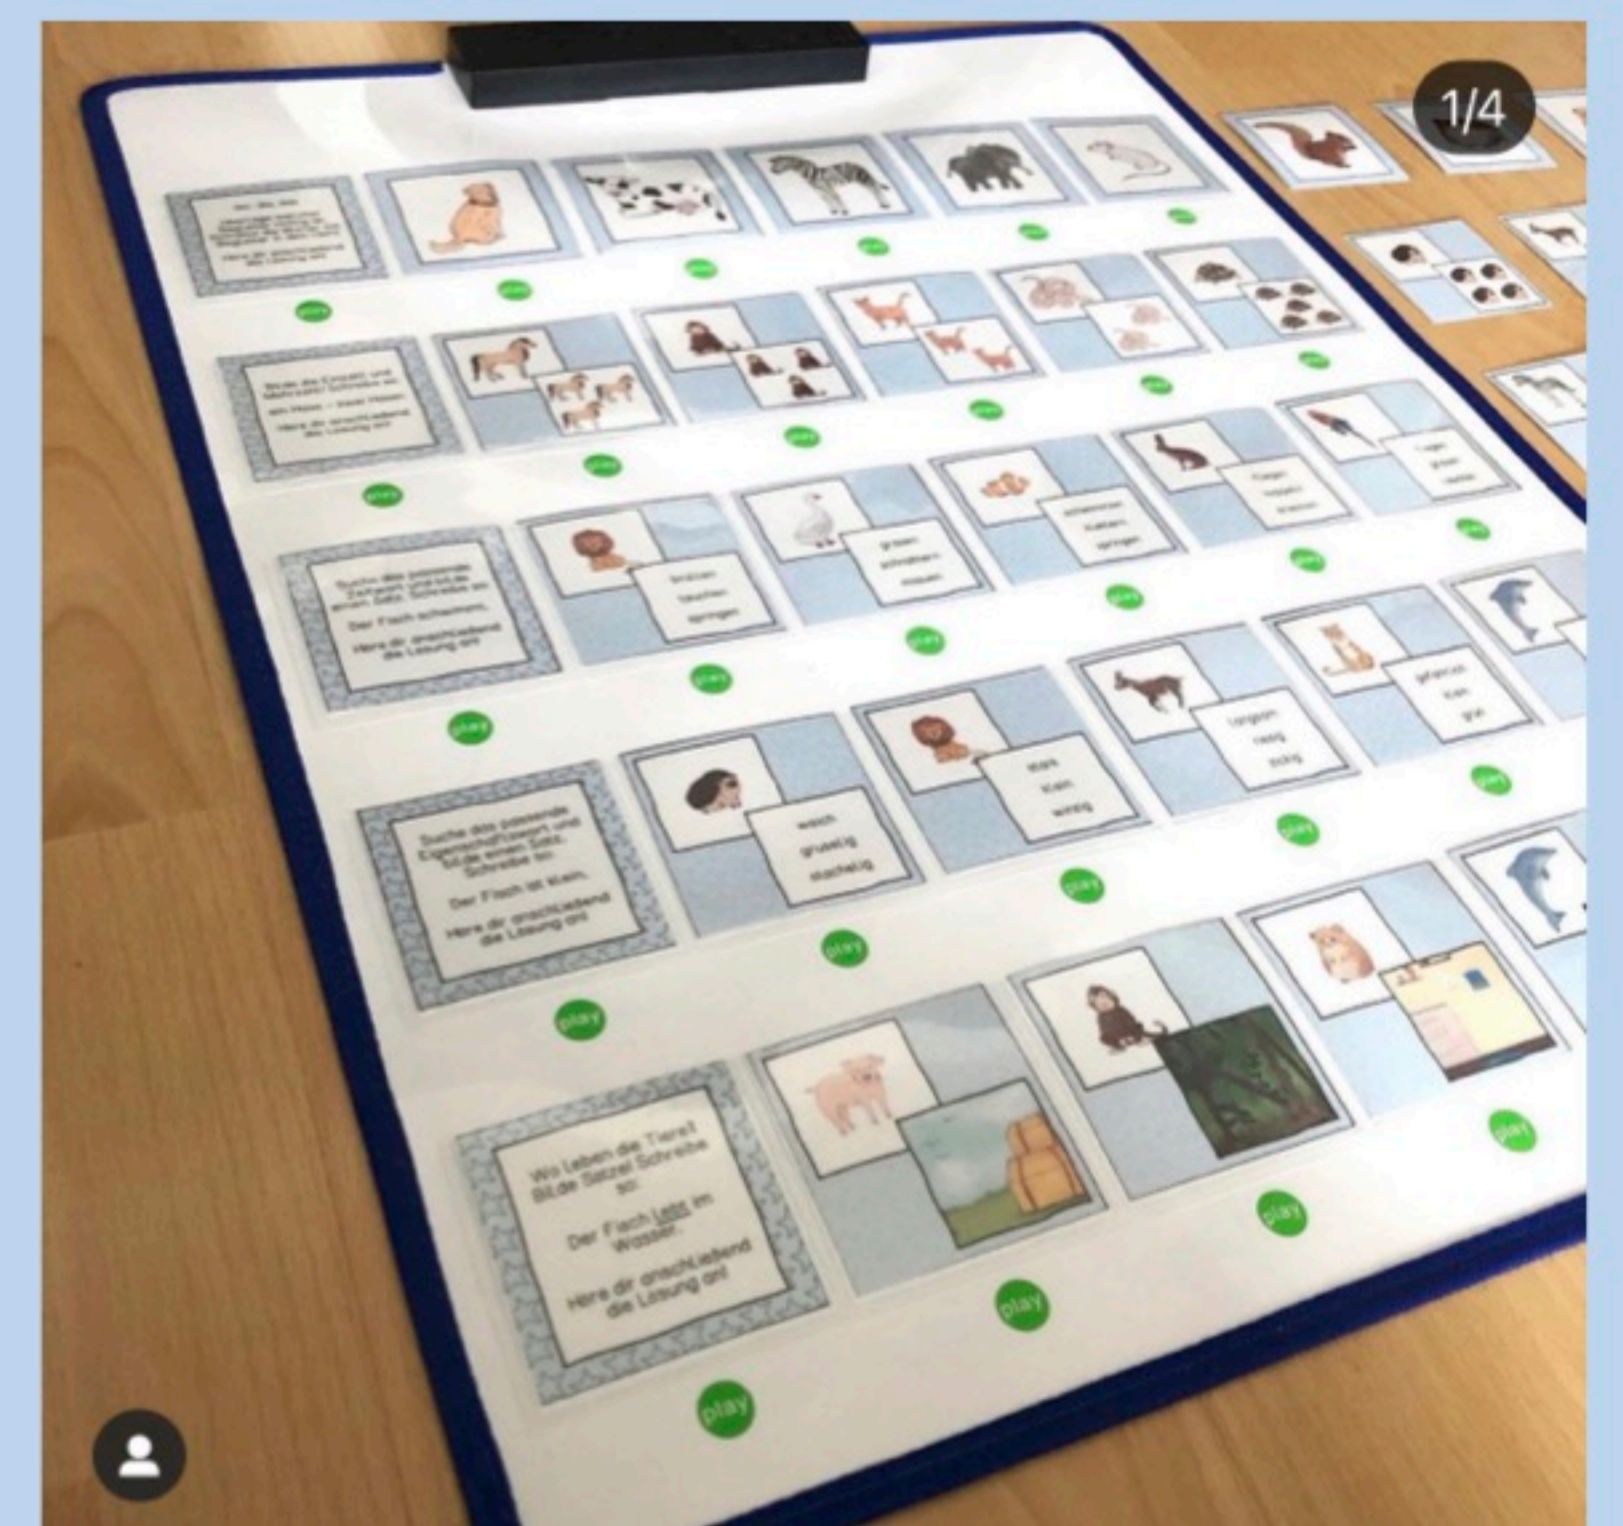

Ziel: Einfache Sätze bilden; Lebensräume kennen

Aufgabe: Wo leben die Tiere? Bilde Sätze! Schreibe so: Der Fisch lebt im Wasser.

## Zeitwörter:

Ziel: Einfache Sätze bilden; Zeitwörter zuordnen können

Aufgabe: Suche das passende Zeitwort und bilde einen Satz. Schreibe so: Der Fisch schwimmt.
